An information session for candidates who wish to obtain their Surf Life Saving Certificate or their Bronze Medallion will be held at Queenscliff SLSC on Sunday 9th October at 11:00 am.

At the meeting we will explain the training timetable and you will meet the trainers. For those who are unfamiliar with the courses it will take approximately 7-8 weeks of training ,usually one night a week and then one session on either a Saturday or Sunday . You will be formally assessed on both the theory and the practical aspects of the course.

Surf Rescue Certificate (SRC) - Age of 13 to 15.

The SRC award is an introductory to surf life saving for teenagers from the age of 13 to 15.

A prerequisite before candidates can start any training in the Surf is the ability to complete a pool swim of 200m within 5 minutes.

Must be at least 13 years old and financial members of the Club.

Bronze Medallion

The aim of this course is to provide participants with the skills and knowledge of basic patrolling and surf awareness in order to be able to participate in lifesaving operations. This is the core award to be a surf lifesaver in Australia.

A prerequisite before candidates can start any training in the Surf is the ability to complete a pool swim of 400m within 9 minutes.

Queenscliff SLSC Club-Wide Raffle

The Cruise and Travel Authority, Market Lane Manly have partnered with QSLSC to provide a wonderful prize for our raffle this year.

The winners can plan their own dream holiday and the most flexible holiday and travel voucher anyone could imagine voucher from *TTA will cover \$4,000 of the costs.*

This travel voucher can be put towards any or all of the elements of a dream holiday like: *flights, accommodation, a cruise, transfers, train travel, a package, anywhere, anytime, adults, children, families.*

No one can say, "I won't buy that because I've been there" – it is 100% their choice.

Our major club supporter, John Cunningham would be proud if we used the tag line:

DREAM / PLAN / TRAVEL

Only 300 books of tickets have been printed so the odds of winning are very good. Your friends, work colleagues and family will love to support this raffle and all hope to win.

Books of tickets have been printed and are available now. Danny Brosnan and Grant Spradbrow will be upstairs at the club every Sunday at Noon to allocate or sell books of tickets.

It is essential that we have all members of the club actively promoting and taking books of tickets to sell.

- Certainly every competitor has to be responsible for the sale or purchase of at least two books of tickets to help offset mounting carnival entry fees.
- All patrolling members must help because this can help provide wet weather gear.

The raffle will be drawn on Friday 25 November 2016 in time to plan a Christmas get-away.
