Board cover purchase for fiberglass nipper boards: \$50

Families with 3 children receive 50% off third board.

Please note all funds are used for QSLSC board maintenance and purchase fund

### TERMS AND CONDITIONS OF HIRE

Hire boards will be allocated to the U9-U14 age groups by the surf club and preference will be given to those Nippers that attend regular training sessions and compete at carnivals.

Conditions for nippers who hire a board are:

- attend 2 board training sessions per week in summer
- attend winter board training
- compete at 3 carnivals during the season
- compete at Branch and State carnivals
- bring the board to all training sessions and nipper sessions

Conditions for parents are:

- to provide water safety or officiate at a minimum of 3 carnivals during the season (in 2020/21 if you do not have your bronze medallion by end Oct 2020, you will need to complete an official's course) Lead age managers are exempt from this.
- educate nipper on the board care (see below)
- purchase a board cover/ surf sock if your allocated board does not have one

Board care expectations of the nipper and parent are:

- Hired Boards are to be stored and transported inside a suitable board cover.
- If you do not have a cover you can purchase a "surf sock" from the club for \$50. This can be considered a tax-deductible donation to the club.
- The hired board is to be maintained in good condition. It is to be washed after every use with fresh water, including the handles.
- Hire boards should be carried and not dragged on the beach. Boards should not be thrown onto the sand. Boards should not be placed fin down on hard surfaces.
- Hire boards should not be left lying in the sun for extended periods of time (to avoid bubbling of the board)
- The club must be notified of any damage to the board.
- Damaged hire boards must be repaired immediately using a club approved repairer.

Boards are to be returned at the end of the season

- Boards are to be returned at end of season (approx. 15th Mar 2021). We may re-allocate boards mid season (eg. around November, as nipper commitment, size and ability changes during the season!)

Boards will be recalled from the nipper and re-distributed to other nippers should the nipper not comply with the above conditions.

Please retain this page for your records and complete the below and return with evidence of payment to Honnie Bustos (pls cc Trudy): Honnie Bustos [honniebustos@gmail.com](mailto:honniebustos@gmail.com):
