LIFESAVING DEVELOPMENT CAMP

SURF LIFE SAVING
NEW SOUTH WALES

Overview

Surf Life Saving NSW will again be running its Lifesaving Development Camp for surf lifesavers aged 16-21 years. This is a live-in program, focusing on developing and enhancing the knowledge and skills of young people, while at the same time preparing them to take on more responsibility in their patrol teams, their own clubs, and the wider community. Members will gain additional awards including First Aid, ARTC, IRB Crew/Drivers, and expand their current knowledge of awards already held.

Want to know more?

The camp outcomes are achieved by providing the young people who attend the Lifesaving Development Camp with a higher level of award training, and exposure to exciting, fast-paced simulated lifesaving scenarios. Camp attendees will use the standard patrolling equipment to manage 'no-notice' scenarios that become more complex as their skills develop.

If you are interested in participating or becoming a part of the leadership team, please use the links below to apply – or contact Laura on lsdevcamp@surflifesaving.com.au for more information.

An information session is also being held on Tuesday 2 November at 7.30pm where you can learn more about the program, the application process and ask any questions.
